I sent the draft before saving it, so it sent a copy that was not updated. Let's try this again...

Hi Annette,

Attached is the updated manuscript and fact sheet. A running title can be: *Systematic Review and Meta-Analyses of Lead (Pb) Concentrations in Multiple Environmental Media*

The journal I'm submitting to didn't request one, so I hadn't settled on one.

Thanks again,
Jessica

Jessica,

Can you get me the most current version of both the OW version of the Factsheet and the paper (as best as you can) this afternoon?

We are going to circulate and address the issue later.

Thanks, Annette.

Hi Annette,

Attached are the Ex. 5 Deliberative Process (DP) and an updated version of the general fact sheet that I previously completed. I am working on incorporating manuscript edits, Ex. 5 Deliberative Process (DP) I hope to get the updated manuscript to you soon.

Let me know if the OW form requires any additional information or edits.

Thank you,

Jessica
